

Scope

Fincantieri ACE Marine (FAM) is committed to maintaining a comprehensive Quality Management System that will allow the company to meet all the Statutory and Regulatory requirements as well as the requirements of the ISO 9001:2015 Standard.

This Quality System Manual represents Management's commitment in:

- Relentlessly seeking to learn the customer's expectations and deliver products and services based upon those expectation.
- Strictly adhering to the quality principles and policies, as defined in this manual, in order to exceed the customer's expectations, utilizing our Quality Management System.
- Striving for continual improvement through review and evaluation of the quality system for effectiveness.
- Seeking and processing customer feedback in order to improve the quality system and achieve total customer satisfaction.
- Promote Teamwork.
